Picture This...

They say **"A Picture Is Worth A Thousand Words,"** but a thousand words could never describe the experiences we have had here at Braintree High. Our four years here have helped us mature into the confident and independent people we are today. We have to **"Capture The Moment"** now, so that later in our lives we can reminisce on fond memories and the amazing people we grew up with. We will remember forever the ever-present leaky ceilings, competing for the coveted Sigel Challenge prize, cramming for tests in homeroom, and, of course, waking up bright and early. As students, balancing school with work and activities, we recall the phrase **"Take A Picture It Lasts Longer."** In the words of Ferris Bueller, "Life moves pretty fast. If you don't stop and look around once in a while, you could miss it." Whether you were volunteering in the community, befriending those different than yourself, putting on a show with the Theatre Guild, or sharing your knowledge and talents with others, you were always **"A Part Of The Big Picture."** Contributing your athletic skills, or even just your spirit, is captured in the **"Action Shots"** of the many sports teams of our fellow Wampatuck. Looking back on all of the excitement and drama of high school, we will never forget our **"Picture Perfect"** community where it all began.

With all of the drama and emotion of high school, we sometimes forget to slow down and appreciate the things around us. As students of Braintree High we have learned to be sociable, friendly, and studious people who do our best to excel academically, athletically, or both. We spend almost every day together, taking notes in class, eating lunch, or convening in groups outside of homerooms. We will never forget the crowds of students rushing through the halls, or the two minute warnings reminding you once again that you are going to be late. Although names might slip from memory, the faces of your peers at Braintree High will always remain in your mind. Let's *capture the moment* now, because this experience won't last forever.

THE ROARING 20's

Happy Birthday Braintree High!

Until 1973, this is what BHS looked like.

SCHOOL SONG

We are loyal to you, Braintree High;
We'll stand by our school, Braintree High,
We always will fight for the Blue and the
White
And defend with our might Braintree High
So play well the game, Braintree High,
Climb upward to fame, Braintree High,
We're calling to you, hold steady,
Onward, for Victory's ready!
Cheer for Braintree High
RAIP! RAIP! RAIP!

This song dates back to the 1930's or earlier, and was used throughout the 1970's. Let's bring it back!

Rest In Peace

The pit served as a stage
for musical concerts. Today, sadly, the pit has
been filled in, and is sorrowly missed.

We'd walk right up to Heaven
And bring you home again.

Headmaster

Braintree High School has a rich and storied history of academic excellence. The pride that our faculty and school district emulates is reflected in the commitment of teachers throughout the school district and the wide variety of supportive services that are provided for students and parents. Braintree is very proud of our high school students and especially our senior class. Each senior class has unique struggles and celebrations that will live in their memories forever. The life experiences that students share shape values and "lessons learned" when one looks back on the high school experience.

Mr. David Swanton

As an alumnus of Braintree High School, I know first hand the feeling of PRIDE which permeates our school community. The contributors, achievements, and talents of the senior class have strengthened the principles of excellence that our school mission exemplifies. The experiences and relationships that you have enjoyed at BHS have provided you with the confidence and skills to meet the challenges ahead. The senior class personifies the appreciation of the arts, acknowledgement of diversity, and the importance of citizenship. As seniors, you are prepared to make the world a better place. For you have made BHS a better place to learn and grow. -Mr. Swanton

EXCELLENCE

Braintree High School has always provided an atmosphere that accommodates everyone. We are able to share our talents, abilities and even each other's company: some perform at the Battle of Bands and Arts Night, play in the Powder Puff Game, fight their friends in Dodgeball, or dance the night away at Homecoming. Others look forward to spirit week, when students finally get to break out their striped tights, oversized sunglasses and strings of beads. Whether you're a freshman or a senior, it's the spirit we all share that brings our school together. Since the countless events at Braintree High don't last forever, remember to "take a picture it lasts longer."

When someone asks what you learn in high school, the automatic response is "math, english, history, science, and foreign language." When you stop and think about it, what we learn in high school goes beyond the taught curriculum. We learn how to manage our time, how to get ready for college, who our friends are, and most importantly, who we are, not only as students, but as individuals. Years from now, when we are looking at old photos from high school we will realize how much we did learn from our experiences at BHS. And when we are looking at those photos and hear the question "What did you learn in high school?" we will understand why *a picture is worth a thousand words*.

School To Work & PM

Joining a club helps ease the transition from junior high to high school and alleviates the stress that the rigorous academic schedule provides. The variety of clubs at BHS is endless, and each one gives the students a chance to connect with others. For those who are not involved in athletics or do not manage a job, these activities give their members something to do after school. Many friendships are made and skills are learned to help students succeed in life. From Show Choir to Mock Trial, all BHS clubs are unique in their own way and help the individuals included become "A Part of the Big Picture."

With a long winning tradition, Braintree High has become known for being a tough competitor and one that will never quit under any circumstance. Sports tie a community together bringing students, faculty, parents, and the entire town collectively in for the pride of the school. Whether it's a rainy Saturday morning on the football field, a cold December night in the gym, or a brisk evening on the diamond, fans show their support for their teams. The students take pride in seeing the bleachers fill with the blue and white, and it is reflected in their play. After a tremendous year of sports for Braintree High in the 06-07 season, teams were ready to keep the winning customs alive during the 07-08 season and to prove what it means to be a Wamp.

Our community is like a never-ending photo album. It captures moments from the past to the present, showcasing the many changes and additions to the town of Braintree. This year, we celebrate the past and the present with Braintree High School's 150th anniversary, and the inauguration of the town's first mayor in January, 2008. Our time spent in Braintree is only one snapshot for us to reflect back upon, and in years to come, we will return to our town to add new pictures. We will never forget the events that occurred and the people we met. Creating our community's album has been a *picture perfect* experience.

COLOPHON:

Volume 66 of the Wampanoag was published in a limited edition of 450 copies with 184 pages in the spring book, 48 of which are in color. An additional 16-page supplement covered activities and events that occurred after the February deadline is delivered in the fall. The books were printed by Jostens Printing and Publishing, PO Box 297, 401 State Park Road, State College, PA 16804-0297. Tara Anderson was the Jostens yearbook representative.

The cost of the edition was approximately \$30,000.00 to publish. Individual copies were sold for \$65.00 with tree name engravings if purchased by the December deadline. All other editions were sold for \$75.00.

The cover was designed by the BHS Wampanoag Yearbook staff. The pages were produced using a four-color litho process. Finished pages were submitted to the publisher on CD's. Page layout was done using Adobe InDesign on Dell computers and HP laserjet printers. Copy was written in AYT Kurt and AYT Struktur.

Senior portraits and photographs were handled by McGrath Studios, 8 Elm Street, Braintree, MA 02184. Other photography studio included: Peter Silowan Photography. Under class portraits were done by McGrath Studios. McGrath also provided candid photos for each section. Other photographers included: Photography by Michelson, Inc., and students of the Yearbook staff. Other photographs were submitted by the graduating class of 2008, parents, and friends. All photos were approved by Michael Lanoue, Photo Editor. Mrs. Marie Denneen was the Business advisor and Mrs. Heidi Hurley was the creative and staff advisor.

Co-Editors in chief were: Mary Kate Bradley, Stephanie Ferris and Nina Scranton.

"Picture This... 2008"

A FINAL FRAME

With high school coming to a close, it's clear that this is the end of a chapter, a part of our lives that we will never forget. We shared this experience with countless people, and each one is individually imprinted in our memory. We will forever remember being lectured on our PRIDE mission statement, the insanely long lines at lunch, and the teachers that made going to class worthwhile. When all is said and done, we will have each individual person to thank.

Senior year has been crazy. In ten months we have made thousands of memories, hundreds of hard choices, and numerous new friends. By the end of the year, the line will have blurred between the bookworms and the athletes, the reserved and the outgoing. After walking the steps to accept our diplomas, we will all have one single title: high school graduates.

No matter what your experience was like, we all shared many of the same daily events: dodging drops of water falling from the ceiling, trying (and failing) to escape Doris in the hallways, even shielding ourselves from whizzing bottle caps in the stairways. We may all have different feelings about these past four years, but all these things unite our grade as one.

So, class of 2008, it's finally ending. Not only have you survived high school, but you have done so in style. This will undoubtedly be remembered forever by the Braintree High staff and students for being one of the most unpredictable and eventful years ever. We've all worked so hard, and thoughts of what the future holds are incredibly exciting. Whether you'll be going to college, joining the armed forces, or starting work right after graduation, just remember to do your own thing. Congrats, class of 2008!

Peace,

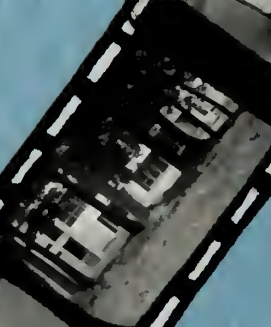

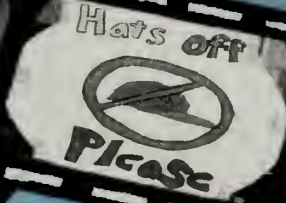

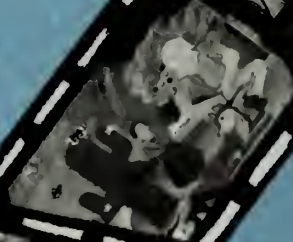

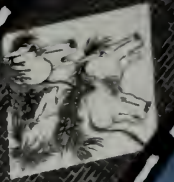

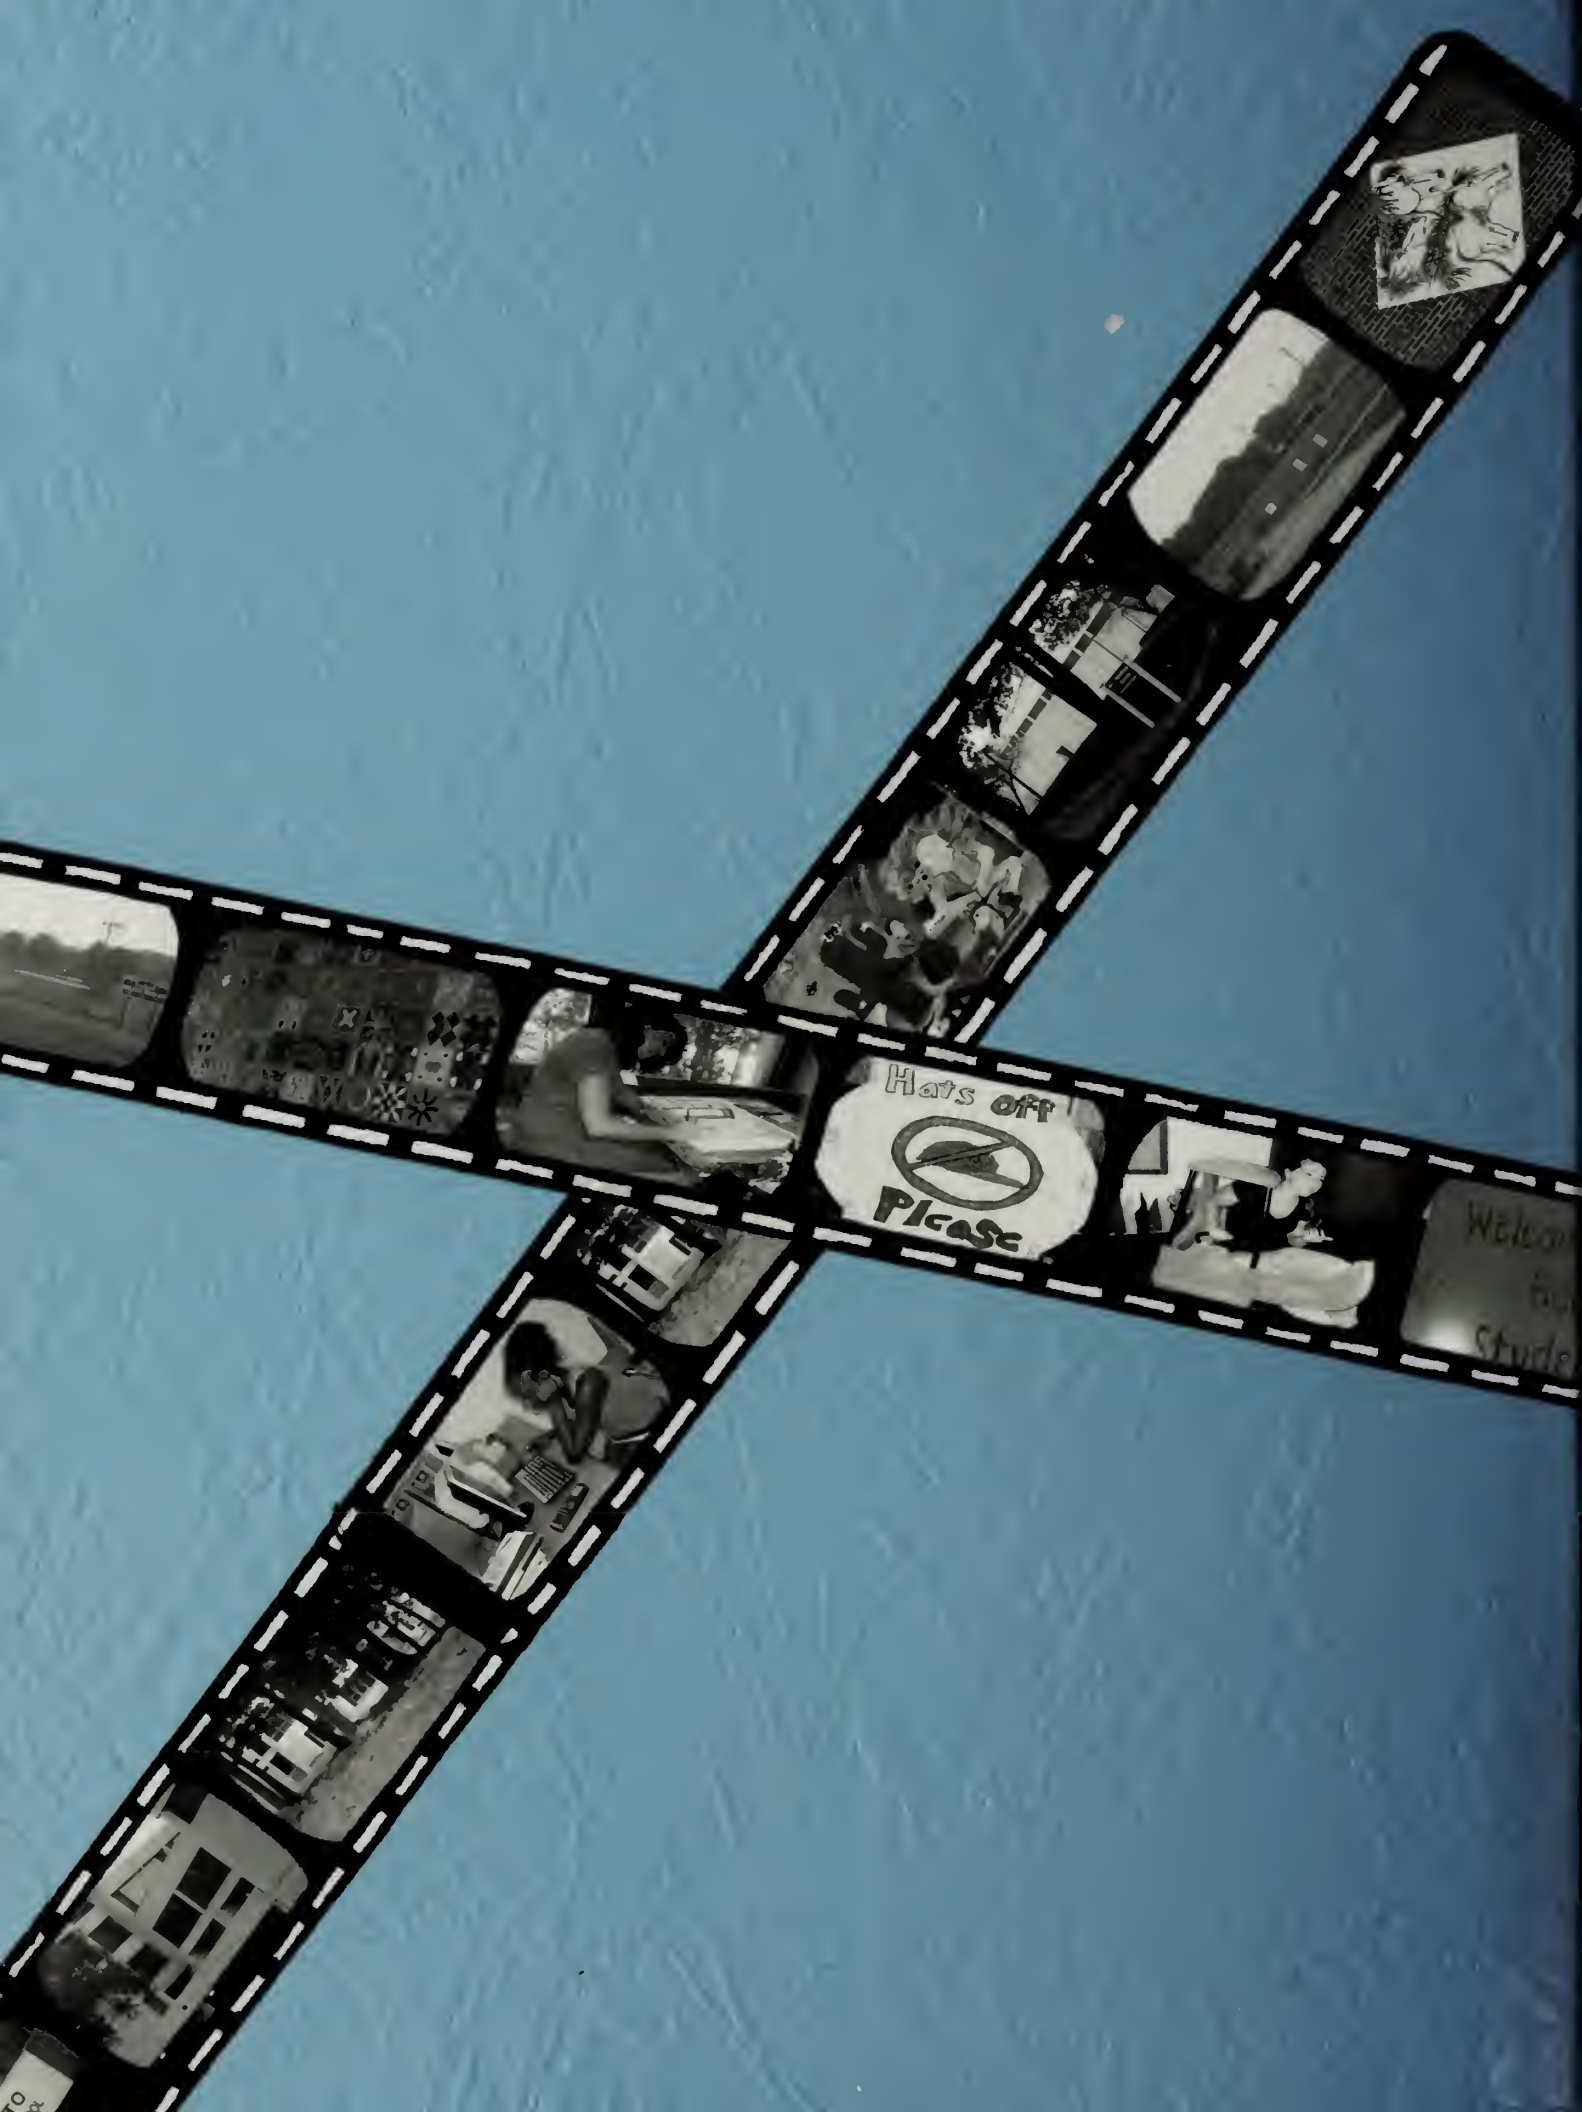

Nina Scranton, Mary Kate Bradley, and Steph Ferris
